Goodfellas.Studio

Video Editor

November 2017 - August 2018 (10 months)

Mumbai Area, India

My role as a Full-time Junior Editor at GoodFellas Studio demanded me to fulfill the tasks as an Assistant to Chief Editor in all the projects along with taking sole lead in some other projects simultaneously. Apart from being involved in Post-Production, I have had the opportunities of working as an Assistant to the Director and an Editor at the same time. Hence, everything from Production to Post- Production equally excites me as long as the demand is to work.
