

## About Us

Toppr is one of the leading ed-tech platforms in India. Our vision is to effectively personalise education using technology. We are an extremely passionate team of engineers, educators, and designers – making consistent strides in product innovation to enhance our user engagement.

We cater to the individual learning styles of candidates preparing for various school and board examinations, olympiads, and scholarship tests. Additionally, we enable preparation for engineering and medical entrance tests as competitive as JEE and NEET.

We have won multiple awards such as:

1. IAMAI India digital awards for educational website
2. Amazon mobility awards for emerging startup in education
3. Top 10 Hottest Startups - CB Insights 2015

Specialties:

Gamified and Adaptive Learning; Confluence of Data Science, Pedagogy and Design; Fast Career Development

**Present in over 30 Cities, with an Employee Strength of ~1500 FTEs**

## About the Product:

Toppr is here to personalize learning to suit your individual needs. With our adaptive platform, you set your own learning goals, you learn at your own pace, enhance your strengths and address your weaknesses.

Here are the **engineering and medical entrance exams** you can prepare for on Toppr:

- IIT JEE Main | IIT JEE Advanced | NEET | AIIMS | UPSEE (UPTU) | BITSAT | COMEDK | MH-CET | TS-EAMCET | AP-EAMCET | WBJEE | VITEEE | AFMC

The best part? You can customize your syllabus to include any class, board and exam you're preparing for, from the above!

Here are the **scholarship exams** you can prepare for on Toppr:

- **NTSE | NSO | KVPY | HBBVS** Here are the **boards** whose syllabi we cover:
- **CBSE | ICSE | IGCSE | HSC | SSC**

Here are the **classes** we cater to:

- **Class 5, Class 6, Class 7, Class 8, Class 9, Class 10, Class 11, Class 12**

Here's what you can do on Toppr:

- **Learn**
  - Watch video lectures and learn at your own pace
- **Practice**
  - Practice customized question banks, tailored to your performance
  - Challenge your friends in mock-tests
- **Doubts**
  - Get your doubts solved **24x7**

Here are some of our key features:

- Customized syllabi | Simple, comprehensive and engaging videos | Adaptive practice questions | 24x7 experts to clear doubts | All-India test series | Study groups | Challenge friends on tests

Here are major advantages of using Toppr:

- Easily master any chapter faster and better with Goals
- Learn any topic any time with video lectures
- Day or night, get your doubts cleared immediately, 24x7
- Stay motivated with goals based methodology
- Revise concepts regularly
- Compare with all India rankers in test series

Here's some information about our platform depth:

- **Over 6 million** students | **Over 2000** hours in video lectures | **Over 3.5 lakh** questions | **15,000** concepts | **Over 40** mock tests for almost all exams

Here's why you can trust Toppr:

- Over **60 lakh** happy students have benefited from personalized learning
- Over **12 crore** questions have been practiced on Toppr
- Close to **10 lakh** tests have been taken by students
- Over **12 lakh** doubts have been solved by our 'Doubts on Chat' experts

Want to know the difference between Toppr students and regular students?

- Toppr students have also shown an average **increase of 44% in speed and 26% in accuracy** over a calendar year. This translates to a potential overall improvement of up to 80%.

**1 in 3 Toppr students qualify** in major competitive exams like JEE and NEET, compared to 1 in 6 for the rest. Their potential score in these exams is almost double the others.

You can create your own custom package by selecting from the modules of Learn, Practice, Doubts and Test series. Some of our packages include a welcome kit delivered to the student's home.

At Toppr, we are personalizing education for students in India. Come join hands with us and let us realize our dream in your success.
