TPC-PCE
TRAIN POTENTIAL, PROMOTE SKILLS

ANNUAL REPORT 2019-20

Introduction

The Training and Placement Cell is an integral part of the PCE Institution. The PCE management is fully invested in providing sound infrastructure and human resources to maintain the Training and Placement Cell and the resulting opportunities the cell provides to students of the College. The Placement Cell's primary objective is to provide training and placements to college students. Various activities take place throughout the academic year in the college. Students are motivated to take the initiative to develop their attitude, soft skills and are given the opportunity to develop technical skills alongside analytical capabilities. The Training and Placement Cell aims to expose students to the nature of the corporate world therefore providing insight to their future professional careers.

About us

The **Training and Placement Committee** of **Pillai College of Engineering** handles campus placement of the graduating students of Engineering. TPC provides complete support to the visiting companies at every stage of placement process.
